

SOME SUGGESTED IDEAS FOR WRITING A BRIEF BOOK REVIEW

- Introduction: Author/Book Title: Linda Lee Keenan/“The Journal” or “With Love From Poland”
- What did you like or dislike about the writing?
- Did you think the story was believable? Why or why not?
- What is your favorite part of the book about?
- Were you surprised by anything that happened in the book? (Or what made you happy? Or what made you sad? Or what made you angry?)
- Would you recommend this book to people you know? If yes, what kind of people?

It would be **much** appreciated and **very** helpful to me if you could write your review on Amazon IF you have an Amazon account. Here’s how. This is copy/pasted from Amazon:

How to Post a Book Review

Now that you have an active Amazon account, you’re ready to post your first book review. Here are the steps to follow.

1. Log in to your Amazon account.

2. Go to the specific product page for the book you want to review and then select the book format you used. If you don’t have a direct link to the book page, you can use the search box at the top of the page to help you. Remember that some books have more than one edition, or are available in more than one format (such as Kindle, audiobook, paperback, hardback, etc.), so be sure to navigate to the page for the edition you want to review and then select the appropriate format.

3. Scroll down to the Customer Reviews section and then click on the “Write a customer review” button.

4. On the next screen you will see the title of the book you want to review and next to it, five light gray stars. Rate the book by clicking on the appropriate number of stars you want to give the book. Your selection will turn the stars blue. Here is a guide to the number of stars you should give.

1 = I hate it.

2 = I don’t like it.

3 = It’s okay.

4 = I like it.

5 = I love it.

5. A text box will appear below the stars. Here you will write or paste in the text of your book review. Then you can also add a headline for your review if you wish. When you’re done, press the “Submit” button.

6. You will see the message “Thanks for your review of [the book you reviewed]. We’re currently processing your review and we will email you at [your email address associated with your Amazon account] as soon as this is complete.”

7. Check your email for a message from Amazon containing your book review. It will also contain a link to “See your full review.” Congratulations! You have posted your first book review on Amazon.
